

*Lady of the Lake*

Hello everyone,

As most of you know, many businesses and services have been temporarily shut down due to COVID-19. Because we are a necessary service for the livelihood of folks in Holden Village and Stehekin, will continue to run our service, but with some cutbacks and changes.

As of now, we are **removing Sunday** runs until March 30<sup>th</sup>. That means we will only be running **Monday, Wednesday, and Friday**. We will be focusing on the essential services needed for the people who rely on us for mail, groceries and transportation.

Office hours will reduce to down to 9AM-10:30AM on Monday, Wednesday and Friday. We will be checking email and phone messages during the remainder of the day and are working on getting mobile home office availability for the safety of our teams.

Anyone wanting to come stay in Stehekin or take a day trip, we strongly encourage you to come another time as most services are still closed or temporarily shut down due to COVID-19.

Please stay safe and healthy out there. We will continue to give you updates and information as to whether these changes will continue, need additional tweaks or return to normal.

Thank you for your understanding and patience through this time. If you have any questions or concerns, please do not hesitate to contact us.

Sincerely,

Discover Lake Chelan and Lake Chelan Boat Company Management
