Public Notice of request to discontinue Sunday Lady Express service through March 31, 2020

March 16, 2020

To whom it may concern:

One of Lake Chelan Boat Company's main goals is to provide safe public transportation on Lake Chelan. We feel very strongly about making sure our customers and employees are safe and informed. With the current state of concern with Covid-19, we are experiencing very low ridership, which is to be expected, and is accepted as the correct course of action.

To curtail the effects of low ridership, we have submitted a request to our regulating agency, the Washington Utilities & Transportation Commission, to discontinue Sunday service for the remainder of March.

We will continue to monitor the situation and follow guidance from health and government authorities to determine what further actions may need to be taken.

We apologize for any inconvenience this may cause. We will continue to serve those who count on the service for their maintenance and existence, in the remote locations of Lake Chelan, to the best of our acceptable abilities.

We are grateful for all of you and appreciate your understanding, as things can change on a daily basis.

Thank you all.

Sincerely,
Reed Courtney
